Alabama Board of Licensure for Professional Geologists

364-X-11-.02 Seal Of The Licensee.

(1) Upon approval of his/her application by the Board, the registrant will be advised that he/she may secure an official seal which shall be applied to geological drawings, specifications, reports and other geological documents prepared by him or under his responsible supervising control in accordance with Code of Ala. 1975, §34-41-14(a).

(2) The seals to be used by the licensees are to be circular in form and at least 1 5/8 inches in diameter with copy of the design to be furnished each licensee upon registration.

(3) Rubber stamps, identical in size, design, and content with the approved seals, or a board-issued electronic seal, may be used by the licensee at his/her option.
