Email: geology@alstateboard.com

November 5, 2026

To whom it may concern:

Thank you for your interest in taking the ASBOG examination(s) in 2027. ASBOG examinations are now computer-based; all candidates will sit for the exams at an approved Prometric testing center.

Please email me the following information: First Name, Last Name, email address and if you are wanting to register for the Fundamentals of Geology or Practice of Geology. Your deadline for registering with the Board for the March 18th or March 19th exam is Friday, January 22nd and for the September 30th or October 1st exam, the deadline is August 20th.

We will take that information and upload it to Prometric for you. More important information, including fees is available to candidates at https://asbog.org/registration.php. These fees are not regulated by the Board, and they are paid directly to the testing company.

Your contact information will allow Prometric to contact you directly to schedule when and where you would like to take your test and then allow you to make your payment online directly. That e-mail will come approximately 45 days prior to the test date directly from the testing company. Please check your junk/spam mailboxes for emails from registrations@isoqualitytesting.com.

Please be aware that sending this information does NOT schedule your test, you will do that when the e-mail is received from Prometric/ASBOG 45 days prior to the testing date.

Additional valuable information is located at https://asbog.org/exam.php, including a Candidate Handbook and Computer-Based Testing.

Keith E. Warren
Executive Secretary
