To whom it may concern:

Thank you for your interest in taking the ASBOG examination(s) in 2026. ASBOG examinations are now computer-based; all candidates will sit for the exams at an approved Prometric testing center.

Please email me the following information: First Name, Last Name, email address and if you are wanting to register for the Fundamentals of Geology or Practice of Geology. Your deadline to register with the Board for the March 19<sup>th</sup> or March 20<sup>th</sup> exam is Friday, January 23<sup>rd</sup> and for the October 1<sup>st</sup> or 2<sup>nd</sup> exam, the deadline is August 21<sup>st</sup>.

We will take that information and upload it to Prometric for you. More important information, including fees is available to candidates at <https://asbog.org/registration.html>. These fees are not regulated by the Board, and they are paid directly to the testing company.

Your contact information will allow Prometric to contact you directly to schedule when and where you would like to take your test and then allow you to make your payment online directly. That e-mail will come approximately 45 days prior to the test date directly from the testing company, [registrations@isoqualitytesting.com](mailto:registrations@isoqualitytesting.com). Please check your junk/spam mailboxes for emails from [registrations@isoqualitytesting.com](mailto:registrations@isoqualitytesting.com).

Please be aware that sending this information does NOT schedule your test, you will do that when the e-mail is received from Prometric/ASBOG 45 days prior to the testing date.

The New ASBOG Examinee Candidate Handbook is located at <https://asbog.org/>.
